## making music together

Charity number: 1168081

### Becoming a Friend of Cumbria Singers

Cumbria Singers aims to provide opportunities for people of all ages and experience to come together to perform large scale choral works under the leadership of an internationally renowned conductor, accompanied by a professional orchestra in a high profile concert venue.

This experience will enable singers to develop their vocal skills and self confidence and, ultimately, enhance the quality of their performance in any other choir to which they belong or join in the future.

While it will primarily do this by offering the opportunity for its members to participate in the BIG SING of a major choral work each season, it will also link with choirs across Cumbria to promote other choral activities. Whenever possible, social events will be arranged to enable those associated with Cumbria Singers to enjoy making and listening to music together.

**Cumbria Singers will need support to achieve these aims.**

**We are inviting you to become a 'Friend of Cumbria Singers'.**

#### **There are very good reasons why you should accept our invitation!**

By becoming a **Friend of Cumbria Singers** you will receive:
